Information for Disabled Students

Rambert School of Ballet and Contemporary Dance welcome applications from disabled people and offers places solely on the basis of potential and suitability for a career in the profession. We encourage all students to visit the school before applying, to view classes and facilities and discuss any support or adjustments that may be required.

The Conservatoire for Dance and Drama (Rambert School of Ballet and Contemporary Dance is one of its eight affiliate schools) has produced a Support for Disabled Students Guide. This contains lots of interesting and useful information, with stories of eight successful disabled students on performing arts courses. The guide can be downloaded from: http://www.cdd.ac.uk/wp-content/files_mf/6193cddd DisabilityGuidesheets.pdf

Buildings

Rambert School of Ballet and Contemporary Dance is based in Clifton Lodge, St Margaret's Drive, with additional studios on the opposite side of the road. The site has level access to the ground floor. There is an adapted toilet on the ground floor, and three further accessible toilets on the ground floor. All the performances scheduled at Rambert School are accessible for wheelchair users. There are currently no signed performances, or hearing loops.

Student Productions / Off-site venues

Whilst most devising and rehearsing takes place at the Clifton Lodge site, some student production periods take place off-site at a variety of theatres. Access to these venues may vary, but where possible adjustments can be made to classes and performances held off-site.

Student Support

Rambert School is committed to supporting disabled students at all stages of the application process and within the course itself. The Rambert School degree programme offers a range of support services. We can also help you to apply for the Disabled Students allowance where appropriate and arrange specialist dyslexia support.

Admissions

All admission enquiries should be made in the first instance to: info@rambertschool.org.uk If you wish to discuss disability issues further during the application and audition stage, or request information on applying for the Disabled Students Allowance (available to all disabled UK students) you should contact the School Secretary, jo.littledyke@rambertschool.org.uk

Specific Support for Dyslexic Students

If you know that you are dyslexic, or have another specific learning difficulty, we strongly encourage you to let us know as soon as possible. This will help us develop a Personal Learning Support Plan, and to assist UK based students to apply for the Disabled Students Allowance where you have not already done so.

In order to apply for a Disabled Students Allowance, dyslexic students will require a recent diagnostic assessment. Wherever possible this should be obtained from your secondary school or college before leaving. If this is not possible, Rambert School can arrange a diagnostic assessment. You can discuss any related issues with the Student Support Officer.

Programme Content and Learning Support Plans

Students who disclose an existing impairment or condition or become disabled during the course will be offered a Personal Learning Support Plan. This is an agreement developed between the student and the Head of Undergraduate Studies to identify support needs. With your consent, this information will be passed on to the relevant teaching staff in a confidential manner.

Requests for further information about the programme content or additional support needs will be referred to the Head of Undergraduate Studies.
